#### PAYMENT PROCESSING:

We process your printing payments through the secure servers at PayPal. You DO NOT need a PayPal account to use this method. Payments can be made with a credit card, a debit card, or check. When you place a print order, we will email you a link to your invoice online at Paypal. After you enter your payment information, you will receive an email notification confirming payment details. Processing payments through PayPal protects your financial information, and verifies your identity to prevent fraudulent use of your credit card, debit card, or checking account information.

Please provide a mock-up (sketch) in the space below. You can use this space as you like to create your own layout (not to scale), provide copy, logo placement or any other special instructions you need.
